Patrick remains Rock Department God and will for the next two years, so get fucking used to it. Become hip to the following fucking releases: GOVERNMENT ISSUE, Misfits, Nomads, SSD, Sons of Ishmael, Boys From Nowhere, The Stalin, Dredd Foole and the Din, Prevaricators, Conditionz, Homosexuals, Roach Motel, Negative FX and AC/DC. The following fucking local bands rule over all other Boston noise: MOVING TARGETS, Turbines, Volcano Suns, New Parts From Old and Christmas. The following recent shows were the fucking balls: RAW POWER, Big Black, and the Hoodoo Gurus. Our favorite supermarket is BROADWAY. Great local town: SOMERVILLE. Are we having fun yet: YOW.
